Schedule: Monday – Friday | 2:00 PM – 10:00 PM

Starting Pay: \$17 + \$2 Second Shift Differential

### **Position Overview**

We are seeking a motivated and detail-oriented Extraction & Pre-Roll Technician to join our 2nd shift extraction department. This role is primarily responsible for assisting with the daily operation of our pre-roll machine and supporting extraction team activities to ensure efficient, accurate, and compliant production.

### **Key Responsibilities**

- Operate and monitor the pre-roll machine to produce consistent, high-quality pre-rolls.
- Assist with weighing, filling, packaging, and labeling cannabis products in compliance with state regulations.
- Maintain cleanliness and organization of the extraction and pre-roll areas.
- Follow all safety protocols and SOPs to ensure compliance with state and company regulations.
- Perform quality checks on finished products to maintain company standards.
- Accurately track and record production data in accordance with state compliance requirements (METRC, etc.).
- Collaborate with team members and supervisors to meet production goals.
- Assist in other departmental tasks as needed.

### **Qualifications**

- High school diploma or equivalent required.
- Prior cannabis industry experience preferred, but not required. Training will be provided.
- Strong attention to detail and ability to follow written and verbal instructions.
- Ability to work efficiently in a fast-paced, repetitive-task environment.
- Basic mechanical aptitude for operating and troubleshooting machinery.
- Must be 21 years of age or older.
- Must be able to pass all background checks required by state cannabis regulations.

### **Physical Requirements**

- Ability to stand, sit, and perform repetitive tasks for extended periods.
- Ability to lift up to 50 lbs occasionally.
- Comfortable working with machinery and within a production environment.
