Position: Quality Control Specialist

Responsibilities:

As a **Quality Control Specialist**, you will play a critical role in maintaining product integrity and regulatory compliance. Your duties will include:

- **Inspection & Quality Assurance:**
  - Perform **visual inspections** of cannabis flower for defects and contaminants.
  - Ensure **packaging, labeling, and transfer manifests** meet company and state standards.
  - Verify compliance with **brand consistency and regulatory guidelines**.
  - Document inspection results through reports and logs.
- **Compliance & Safety:**
  - Ensure all products adhere to **Ohio's packaging and labeling regulations**.
  - Maintain a **safe and compliant** work environment by following SOPs and legal guidelines.
  - Properly utilize and replace **personal protective equipment (PPE)** as needed.
  - Report on **discrepancies or quality concerns** to the Supervisor.
- **Collaboration & Efficiency:**
  - Work closely with the **packaging, processing and order fulfillment teams** to maintain workflow.
  - Ability to work **collaboratively in a fast-paced environment**.
  - Provide feedback and assist with process improvements.
  - Take on **additional duties** as needed to support production and compliance.

Qualifications:

We're looking for detail-oriented individuals with a passion for quality and compliance. Ideal candidates will have:

✅ **Keen attention to detail** and ability to identify product defects.
✅ **Strong problem-solving and analytical skills**.
✅ **Effective written and verbal communication**.
✅ **Basic computer skills (Excel & Word preferred).**
✅ **Ability to stand for long periods** and work in a fast-paced environment.
✅ **Team-oriented mindset with a positive and professional attitude.**

Preferred Experience:

- **Quality control, pharmacy technician, dispensary, or related experience.**
- Understanding of **cannabis industry standards** and compliance regulations.

Requirements:

- Must be **21 years or older**.
- Must have **reliable transportation** and be **punctual**.
- Must pass **FBI & BCI background checks** (felony drug-related convictions are disqualifying per Ohio state law).

Compensation & Schedule:

💰 **Pay Range:** $16 - $18/hour (commensurate with experience) + $2 2nd Shift Differential
🕘 **Hours:** Monday – Friday, **3:00 PM – 11:00 PM** (with occasional overtime to meet delivery schedules)

Join a company that values **quality, teamwork, and integrity** in a **thriving, rapidly growing industry**. If you have a **strong work ethic and a passion for precision**, apply today!
